Position: Senior Tax & Estate Planner

Location: Dubai

Ref: DA426

For our client, a leading global provider of financial solutions, we are looking for a Senior Tax & Estate Planner to join the team in Dubai. Working within the Wealth Planning Team, you will work closely with Relationship Managers responsible for the Middle East and Asian markets. If you have a Law degree and/or STEP qualification and experience with international investment structures this could be the next role for you.

Role

Your key responsibilities will include:

- Working with Relationship Managers providing tax and estate support for financial assets, family business and real estate assets
- Providing support for acquisitions, restructurings and (re)financings
- Deliver training sessions to RMs on various topics relevant to the GCC region
- Advising on cross-jurisdictional issues relating to all aspects of estate planning

Requirements

- Law or tax-law degree and/or STEP international diploma would be an advantage
- Minimum seven years of experience in an investment management firm
- Self-starter with a methodical approach to your work and able to lead projects working with diverse groups of people
- Experience in real estate acquisitions
- Fluent English; Arabic would be an advantage
- Willingness to travel

This could be **your** next, exciting career move. Initiate contact with Chandler Robinson at DART by sending your current CV to info@dartexec.com or calling us on +41 44 215 1080.
