

Opportunity

Position: Fixed Income Analyst

Location: Zürich

Ref: DA453

For our client, a respected private bank, we are looking for an experienced financial professional to join a team of Fixed Income Analysts. The role, based in Zürich, will involve researching companies' credit worthiness and have advisory aspects as well as broader macro-economic research responsibilities. If you have deep experience in bond analysis, are commercially minded and an strong understanding of bond markets this could be your next role.

Role

Your key responsibilities will include:

- Conducting primary research on capital market issuers
- Creating buy and sell recommendations to be communicated directly to clients
- Working with the Head of Fixed Income trading on the trading floor to execute transactions
- Conducting ad hoc studies and research on developments and queries relating to the bond market
- Monitoring counterparty risk at firm level (buy side)

Requirements

- Degree educated – preferably economics, mathematics or finance
- Minimum 5 years experience with Fixed Income
- Experience in an advisory capacity working with private clients
- Strong marketing skills
- Fluent English and German
- Able to work effectively in a team
- Some travel required

This could be **your** next, exciting career move. Initiate contact with Chandler Robinson at DART by sending your current CV to info@dartexec.com or calling us on +41 44 215 1080.
